

Hi Hector and Mike:

I wanted to write a quick note to say thanks for your continued hard work [on the Fits & Starts Productions HOW-TO Surround Sound road tours], and to extend our appreciation for the manner in which you continue to use Tannoy [speakers] in a very positive manner in your surround sound and Church sound workshops.

The latest sale [to Shenandoah University] was based on your educational workshop tours, and generated an order for 30 plus pairs of Proto J speakers. It is just another example of the value your work brings to the Tannoy brand.

Thanks again

Marc Bertrand
